Would you like to have access to your records anytime you are traveling with your animals? Higdon Large Animal Services is utilizing a cloud based software which allows our clients to access their information at anytime. This includes Coggin's certificates and Certificates of Veterinary Inspection. Please follow the instructions below to access your records on eVetpractice.com:

1. Make sure you provide your best email address to Higdon Large Animal Services
2. Visit <<http://www.evetpractice.com>>
3. Enter your provided username which will be the first half of your email
 1. Example: if your email is johndoe01@deeremail.com your username will be johndoe01
4. Enter "Password1" as your temporary password (passwords are case sensitive)
5. You will be able to change your password at this time

Higdon Large Animal Services does not have access to your chosen password, however, should you forget your password, we can manually reset your password so you may select a new one

If you have any questions about setting up your account, we will help you as quickly as possible.

Thank you for choosing Higdon Large Animal Services
